Why Do I Need Pet Insurance?

- U.S. pet owners are expected to spend more than $15 billion on veterinary care alone each year
- Every 6 seconds a pet owner is faced with a vet bill of more than $1,000
- A pet receives emergency medical care every 2.5 seconds in the U.S.
- 1-in-3 pets need emergency veterinary treatment every year
- 1-in-3 dogs develop cancer and canine cancer treatment can be expensive
