

Are you receiving exclusive pricing from Airgas?

Membership with NPP gives you access to top-tier pricing with Airgas. As one of the nation's leading single-source suppliers of gases, safety equipment, and welding products, Airgas offers whatever you need for whatever you do.

Here's what Airgas can do for you:

- Full range of packaged industrial, medical, and specialty gases.
- Safety and personal protective equipment; head-to-toe, respiratory, and fall protection.
- Welding hardgoods; welding machines, filler metals, gas apparatus, etc.
- Multichannel services offering industry leading customer care through local branches, representatives, or online.

HOW TO GET STARTED

Signing up to be an NPP member is free and easy:

- Visit www.mynpp.com, click on “**Join Now.**”
- Select “**Company,**” then your industry.
- Select the appropriate Association from the dropdown menu (if applicable) and complete enrollment.

Once you are registered with NPP, you will need to set up/link your Airgas account.
