

# Be more productive and secure with the Google Pixel 3.

Meet the all-new Pixel 3, featuring the best of Google software, services and hardware to deliver unparalleled security and productivity for your enterprise. Pixel 3 is built to protect your data with file-based encryption and seamless monthly security updates to keep users safe and protect their devices. Receive assistance whenever required with 24/7 support! Optimize productivity with Google Assistant and Google services like G Suite, so you can do more faster.

## Unparalleled security.

Pixel 3 enables industry-leading hardware security capabilities by leveraging the phone's tamper-resistant hardware (Titan M) and is the first device to support Protected Confirmation. Seamless monthly security updates keep users safe and protect their devices.

## Powerful productivity.

Thanks to seamless integration with G Suite and Android zero-touch enrollment, your business can deploy the Pixel 3 and begin collaborating with speed and ease. Get help from your Google Assistant: find answers, commute times, weather info, and control your Pixel 3—all with a simple squeeze, or just by using your voice. With Google Assistant you can also screen your calls, so you know who's calling and why. Then you can decide to pick up or move on.

## The Google Pixel 3 has arrived and it's only available from Verizon. For a limited time when you buy any Pixel 3 or Pixel 3 XL, get one on us.
