

# Never miss a call or an opportunity with One Talk<sup>SM</sup>

Every call matters. One Talk is a business phone solution that keeps you in touch with your customers no matter where your day takes you.

## Business communications shouldn't be complicated.

The phone is the lifeblood of your business.

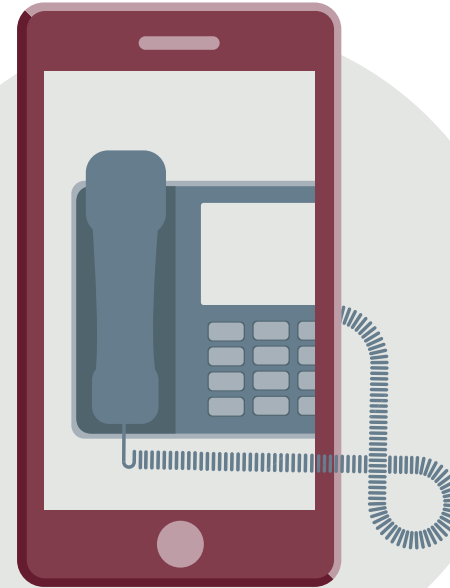

**80%**

More than 80 percent of business calls either go unanswered or go on hold.<sup>1</sup>

## Exceed expectations like business depends on it. Because it just might.

**81%**

of customers are likely to come back if you exceed their expectations.<sup>2</sup>

## A single number for all your devices. Imagine that.

One Talk gives you one number that spreads across your desk phone and your mobile device.

It works for:

- Mobile phones/tablets
- Fixed phones
- Employee-owned mobile
- Any mix of these

**75%**

of U.S. companies permit, or plan to permit, employee-owned devices in the workplace.<sup>3</sup>

## One Talk is easy to use, manage and set up.

You have enough on your plate. One Talk makes it simple to set up and use.

- Fixed devices work with any broadband Internet provider.
- Works with any mobile carrier. But let's face it, One Talk works best with us.
- Works almost anywhere in the U.S.
- Managed from an easy-to-use Web portal.
