

# Note9 - The smarter way to work.

Meet the all-new Samsung Galaxy Note9 – the business tool you've been waiting for. With a variety of efficiency-boosting features and accessories, the Note9 can make conquering your workday easier than ever – regardless of where the job takes you.

## Work Anywhere

- A 4,000 mAh battery keeps you going all day long, without being tied to an outlet.\*
- Store more, do more – 128GB and 512GB standard memory configuration and 6GB of RAM pack a one-two punch of mobile capability.
- The Galaxy Note9 boasts faster network speeds, up to 1.2 Gbps, giving you faster downloads and smoother streaming.\*\*

## Get Ahead

- The S Pen is all-new and equipped with intelligent control – take notes, click through presentations remotely and more.
- Get PC-like productivity out of a pocket-sized device with Samsung DeX+. Simply connect with USB and HDMI to set up a mobile office virtually anywhere.

## Stay Secure

- Defense-grade security for an open world – Samsung Knox equips the Galaxy Note 9 with superior protection. Keep your company data under lock and key, and out of hackers' reach the second you turn on your smartphone.
- Work remotely worry-free with advanced biometrics. Iris and fingerprint scanners secure your smartphone and still provide fast and convenient access.

## One Talk

With One Talk, your business can combine your landline and wireless services into a single mobile-first solution. Respond, collaborate and problem-solve - any time, anywhere.
