

Unlimited possibilities.

Meet the moto z³

Never skip a beat. With the all new Motorola moto z³, you can stay connected. Whether the day keeps you behind a desk or on the road, the moto z³ has your back. With premium features like a powerful Qualcomm® Snapdragon™ 835 processor and an edge-to-edge OLED display, the moto z³ keeps you on track and ahead of the game. Plus, it's on America's best network, so you get a high-end mobile experience on the network your team deserves.

The speed you want.

- Be first in line to enjoy lightning-fast speeds with the launch of Verizon 5G with the attachment of a 5G moto mod*.
- A 3,000 mAh battery provides all day battery life, plus with TurboPower™ charging you never have to worry about being disconnected.
- Qualcomm® Snapdragon™ 835 processor gives each employee expandable storage, with efficient and fast processing speeds.

The features you need.

- 6" OLED FHD+ edge-to-edge display gives you a high-quality viewing experience for everything from emails to videos.
- Corning® Gorilla® Glass protects against everyday drops and spills.
- Fingerprint sensor keeps important work and personal information safe wherever you go.

Customize with moto mods.™

Customize the moto z³ to fit your team's needs with moto mods. Share presentations on the fly with the Insta-Share projector, use the Moto Power Pack to get up to 16 extra hours of battery life or keep a personal assistant in your pocket with the Moto Smart Speaker with Amazon Alexa.

Contact your Verizon Wireless representative to learn more.
