

EVERYTHING IS BIGGER IN TEXAS

INCLUDING OUR NEXT-DAY FOOTPRINT.

YRC FREIGHT REGIONAL NEXT-DAY

NEXT-DAY SHIPPING FOR THE LONE STAR STATE.

HOW SHIPPING IS DONE.

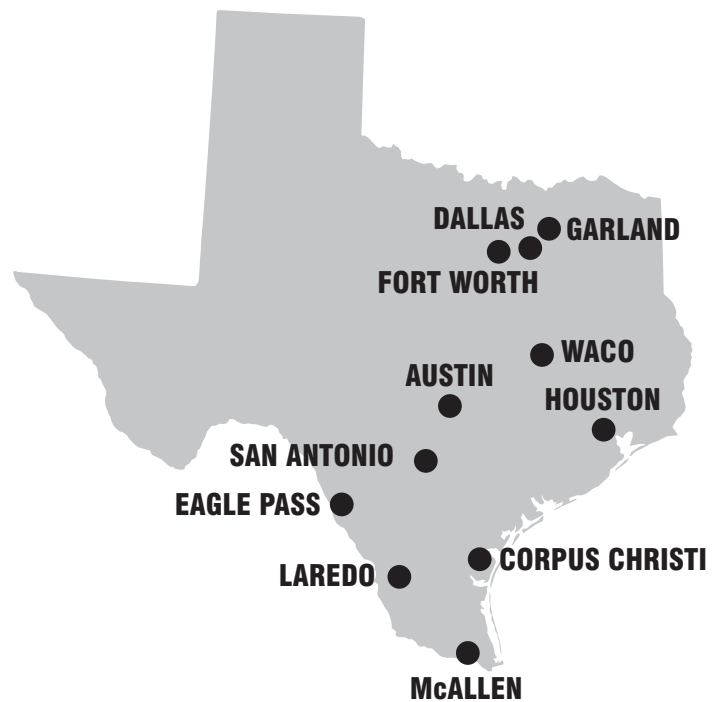

In this demanding, need-it-now world we live in, having access to faster transit times is more important than ever. That's why we've enhanced our operations to bring reliable, next-day service to the state of Texas.

INTRODUCING NEW **NEXT-DAY SERVICE** IN THE STATE OF TEXAS.

YRC Freight has been an expert at the long-haul shipping game for years. Now, with increased demand for faster transit times and more streamlined supply chains, we're bringing our extensive network and years of experience to short-haul.

HOW CAN REGIONAL DELIVERY SERVICE HELP YOUR BUSINESS?

- Next-day service makes just-in-time shipment scheduling easier than ever allowing you to save costs and hold less inventory
- Fewer supply chain interruptions since materials are there when you need them
- Greater on-time performance for you and your customers
- Lower claims ratios and fewer damages as a result of less handling

NEXT-DAY SERVICE POINTS

Next-day delivery. Next-level service. That's how shipping is done in Texas. For more information or to schedule a shipment, visit yrc.com/texas or call 1-800-610-6500.
