*Transaction Eligibility

Line must be ported in from another carrier. Port in must be completed in a single transaction (temporary MDNs cannot be assigned). The monthly credit is contingent on Customer porting a wireless telephone number at the time of activation from a competitor and utilizing Customer provided equipment ("CE") (devices cannot be purchased from Verizon Wireless). Offer applies only to smartphones that are compatible with Verizon's network. Check device compatibility before advising about this offer. Device must come with the line. The line cannot be on device payment or 1 or 2 year subsidy; or full retail price Verizon purchased equipment. Must remain on a Bring Your Own Device (BYOD) device to be eligible and keep the promotional Bill Incentive Credit (BIC).

Plan Requirements

Promotional 5G Unlimited Business Plan for Smartphones plan code 73837. Month to month agreements only. Cannot change price plans to become eligible for the offer. Promotional 5G Unlimited Business Plan for Smartphones receive a total discount of \$720 (\$20/month). Note: Customers must have a specific billing cycle date in order to be eligible for the price plan 73837). Bill cycle dates: 1, 5, 8, 10, 14, 17, 19 or 23.

Limited time offer.
