

REGIONAL SHORT-HAUL COVERAGE

From short-haul to long-haul, Estes does it all

When you need to move your regional freight, Estes' exceptional short-haul coverage can make all the difference.

Backed by the power of our vast nationwide network, Estes has the footprint, reach, and resources to get your one- and two-day shipments where they need to go, when they need to get there.

Our reliable short-haul coverage features:

- » Nearly 7,000 next-day lanes and 270 million next-day points throughout the U.S. and Canada built to move your freight with higher efficiency and minimal handling
- » Over 300 North American terminals, including 26 hub terminals across six regions of the country, providing you with greater flexibility and reach
- » An extensive fleet of more than 10,000 tractors and 51,000 trailers, providing the capacity and equipment to meet your shipping needs with ease

And with nearly a century of regional freight shipping expertise, you can feel confident knowing that your short-haul shipments are in good hands with Estes.
